LAUREN BURVILL TALKS TO SUZINA MELINA OWNER SUE SPIRES TO FIND OUT WHY HER SALON IS THE NEWEST "IT" DESTINATION FOR UNLEASHING YOUR NEW LOOK.

WHAT MAKES SUZINA MELINA THE ULTIMATE SALON DESTINATION?

Our service is first-class, the surroundings are exceptional and unpretentious. I'm proud to say that we have very talented staff with fantastic knowledge of hair and skincare. One experience and you'll be hooked!

THE DÉCOR OF SUZINA MELINA IS DIVINE – WHAT WAS YOUR INSPIRATION?

My previous experience in owning seven salons prior to Suzina Melina (I also own Avenue 33 at Ashgrove) allowed me to fine-tune every detail to create the ultimate salon. I wanted to create a place for people to come and feel like they are the most important person in our lives for the day - because they are!

WHAT TYPE OF SERVICES DO YOU OFFER?

We have an alliance between hair and beauty experts that provide effortless execution for those who are time-poor. Hair and beauty packages, gift vouchers, body massage and facial treatments

are popular as clients can experience our private boudoir beauty rooms while having their hair done.

WHAT ARE THE LATEST TRENDS IN HAIR AND BEAUTY?

Regardless of trends, we style for the person's face shape, hair texture and skin tone. There's little point putting a sharp geometric haircut on someone who suits a soft, romantic style. Both styles are 'in' at the moment but it comes down to what suits the person. Salon managers Peter Tigani and Deanne Hinkley have a wealth of experience in hair trends and our therapist Stacy has become the beauty guru in addressing all skin concerns.

YOUR TOP TIPS FOR FLAWLESS GROOMING?

Seeking good advice from experts will ensure that you spend your money on the right products and tools for your hair. Our advice is FREE and we're always happy to help. We love the fact that our clients are a walking advertisement for us and there's nothing better than someone commenting on how fabulous their hair looks!
