■ **Floral Socks**, 24, has found eco-friendly gift sets that's good for you. She's stocking carbon-neutral deodorants, products in the Paddock-based line, beauty and lifestyle items. **Floral Socks**, visit [www.sustainable.com.au](http://www.sustainable.com.au) and [www.floral.com](http://www.floral.com).

■ **A fabric** shop has just opened in the Sydney Arcade, stocking an extensive range of European fabrics that could take you from your budget to the beachfront in New Year's Eve fest.

■ **Natural Cosmetics** has a new anti-rod concealer on the market designed to help decrease redness and get your skin an almost healthy glow. The concept against sun damage is the anti-sun-dry foundation, available in three shades. **Natural Cosmetics** began in Cairns and now services Australia from its base in Melbourne. Visit [www.naturalcosmetics.com.au](http://www.naturalcosmetics.com.au)

■ **The National Breast Cancer Foundation** wants you to shop from home this Christmas to support breast cancer research. Try the online shop at [www.pinkchristmas.org.au](http://www.pinkchristmas.org.au). New this year is a Christmas Gift Pack. There's also Christmas tree decorations and pink striped pyjamas. Give largely more \$40, but there is a pink gift set at less cost.
